Minnieland Private Day School, Inc. Operating New Facility In North Stafford

North Stafford, VA: Minnieland Private Day School, Inc. is operating its 13th center in the Stafford/Fredericksburg area. Minnieland at North Stafford is conveniently located just off Garrisonville Rd (Route 610) in Stafford. The center, which has a capacity of 200 children, offers extra large classrooms with plenty of room for the children to grow and learn. It also boasts a gymnasium and a pool. The kitchen is currently under construction and will be ready to serve healthy, hot nutritious meals in September a feature that was not currently available. A brand new Infant room is also under construction and will be completed by September as well. Formerly called Adventure Bay, Minnieland is leasing the 10,000 sq. ft. property and officially began operating the facility in June.

Founded in 1972 by Chuck and Jackie Leopold, Minnieland Private Day School, Inc. is a leader in early childhood education. After three and a half decades, Minnieland Private Day School, Inc. operates 40 childcare centers in Prince William, Fairfax, Stafford, Loudoun, Hanover, Chesterfield, and Henrico Counties in Virginia. Minnieland continues to provide excellent educational programs where each child's individuality is recognized and supported by loving and caring teachers. With more than 100 locations including childcare centers, private elementary and middles schools, and school age care sites, Minnieland serves the needs of working families in Virginia.
